Then,
the running, the laughing, the caring,
living for today.

Now,
all that is left,
in lonely hours,
are memories.

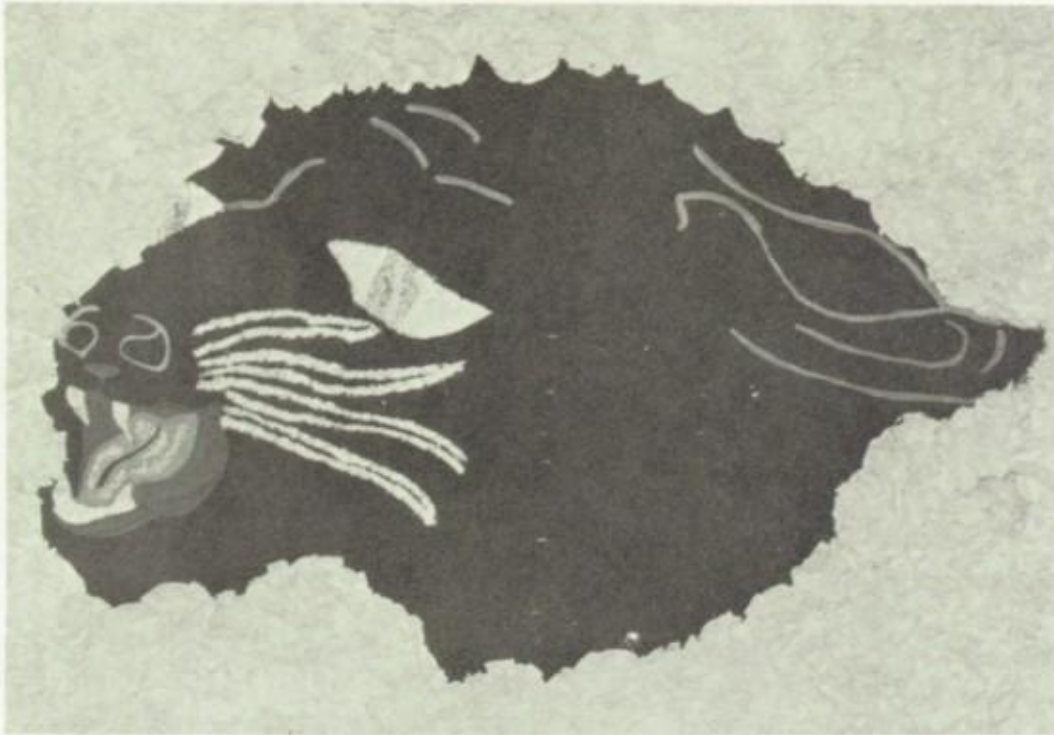

Then,
with smiles in our eyes,
and love in our hearts,
we lived for today.

Now,
with beautiful memories
to look back on,
we live. . .for tomorrow.

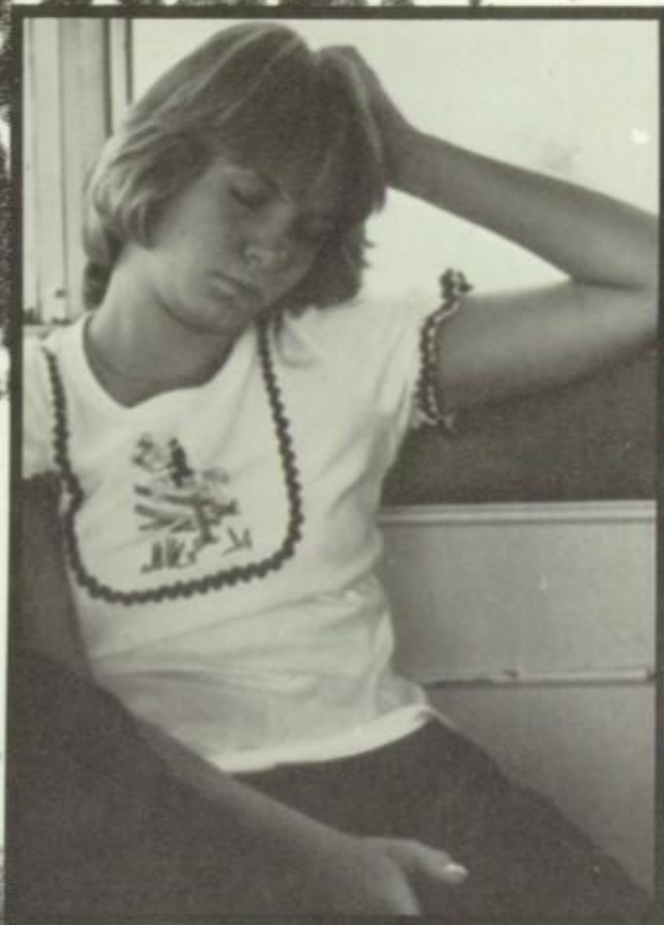

Then,
life was a game,
easy to understand.

Now,
the game is harder,
it's time to say . . .
good-bye.

STUDENT LIFE

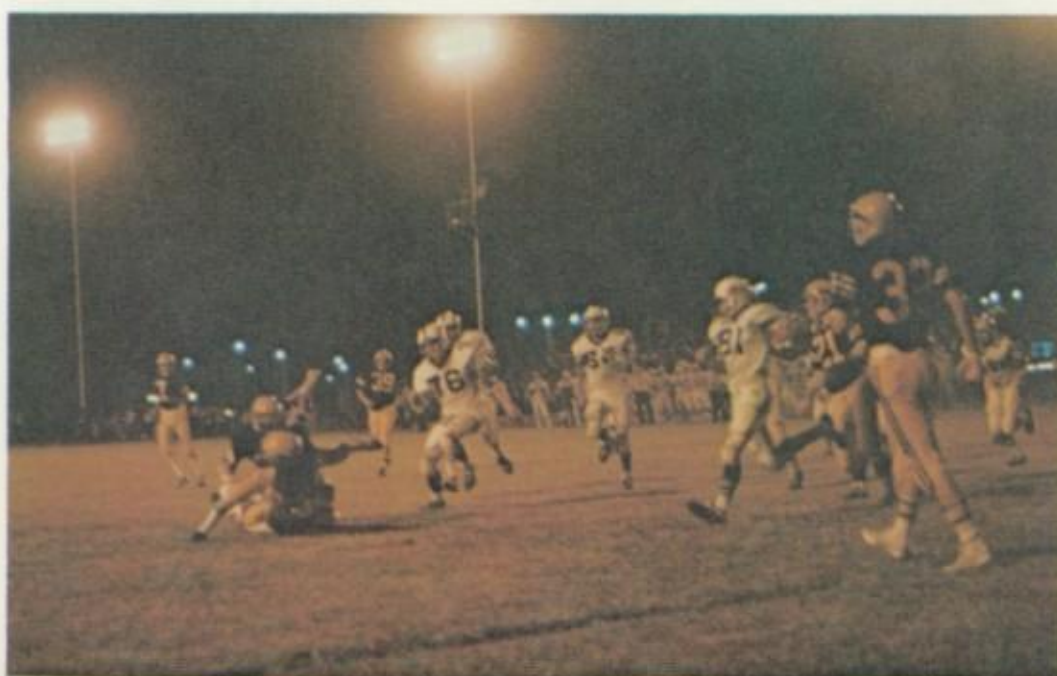

Homecoming Features "Groovy Movies"

The theme for Homecoming this year was "Groovy Movies". Events filled the week of Homecoming. The first activity was a tug-of-war contest on Monday, followed by pin-up day on Tuesday. On Wednesday everyone came dressed up as their favorite movie star. Voting for king and queen candidates took place on Thursday and the evening was topped off by the Pep Rally. Friday the floats paraded through Peoria and were judged as they went. That evening Peoria beat Greenway 34-20. The dance ended an exciting week.

The burning of a Greenway Demon (Right) highlighted the Pep Rally. Lower Right: Homecoming Royalty, Yoli Olibarria and Mark Barden during halftime. The dance (Below) was held in the new gym for the first time.

Top: Seniors' float won first place with their theme of "Towering Inferno". Middle: Juniors placed second with "Tidal Wave". Left: Peoria's victory over Greenway.

Right: Sophomores discuss problem with leaning goal posts. Below: Kris Trost, Cindy Lyall, Pam Esposito and Tracy Thomas dressed up as their favorite (?) for dress-up day. Center Right: Sam Dilettoso and Bobby Graves practice the art of flower-making on the junior float. Bottom: Yoli Olibarria and Patti Fowler take a "paint break" as they make last-minute touches on the senior float.

Underclassmen Place 3rd and 4th

Right: The Sophomore float, based on the movie "The Sting", placed 4th while the Freshman float (Bottom) got 3rd place with the theme of "Jaws". Both classes worked hard on their floats during the week.

Upper Left: At halftime, Tony (Big Dog) Santa Cruz works up team spirit during a pep talk in the locker room. (Are you still looking for your socks, Tony?) Coach Williams (Above) wipes a tear of happiness from his eye as Peoria tromps the Greenway Demons. Left: Virginia Garcia congratulates Mark Barden after the crowning ceremony for Queen and King. Lower Left: Virginia Garcia and Willie Guiterrez, Class of '75 Homecoming Queen and King, present a gift of flowers to Virginia's parents. Virginia was the eleventh Garcia to graduate from PHS.

This year's carnival brought in a large crowd plus a big profit. It was held on the football field and unlike last year, this time the track was predampened. This was approved by everyone, especially those with bronchial asthma!

The Junior class raised the most money with Seniors following. Representing the Junior class were John Collins and Karen Esposito, who were crowned this year's Carnival Royalty.

The Interact Club's hard worked paid off with their booth being voted "Best Decorated". All in all, the carnival was a big success and was enjoyed by everyone.

1975-76 Carnival King and Queen: John Collins and Karen Esposito

Frosh candidates: Rita Napolean and Carl Josey

Sophomore Candidates: Lori Whitehurst and Rodney Forgia

Senior candidates: Mark Barden and Cecelia Moreno

The Band Blackouts, sponsored by the Band, has given us a big variety of entertainment. People you never would have dreamed of having the least bit of talent get up there and show their stuff. We'd like to thank everybody who participated in the Band Blackouts. You did a fantastic job!

Student Elections Draw Potential Leaders

The Student Body elections drew a big crowd of candidates this year. Interested juniors were asked to get signatures from seventy students, five teachers, and five student council members. The candidates campaigned for three weeks by hanging up posters, making speeches, etc. On February 24, elections were held. Running for Pres. were Lisa Moore, Sam Dilettosa, and Andy Chagolla. Running for Vice Pres. were John Collins, Barbara Root, Cyndi Lopez, and Omar Cobos. Candidates for Treas. were Gretchen Vendeville, and Ginny Craig. Trying for Corres. Sec. were Chris VanMeter and Dean Powell. Running for Active Sec. were Kathy Rener and Jeannette Davis.

FFA and FHA Choose Sweetheart; Bachelor

The Sweetheart Dance, sponsored by the FFA and FHA, was held after the last basketball game of the season. FHA chose the Bachelor and FFA chose the Sweetheart. Unlike past years, the Sweetheart was chosen just from among FFA members. This was because the Sweetheart has to attend FFA functions and must have some knowledge of what FFA is all about. The Bachelor, Sam Dilettoso, a junior, was chosen for the quality of the cherry pie which he made. All Bachelor candidates had to make a pie. Fortunately for Sam, his turned out the best. The Sweetheart was Nancy Bango, a sophomore. During her reign as Sweetheart, she will attend the FFA Banquet and compete with other Sweethearts for the State title.

Top Picture: The candidates await the announcement of who will win the title of Bachelor and Sweetheart. Right: Sam Dilettoso and Nancy Bango pose in front of their respective titles.

75-76... A Headline Year

There were many events that influenced major decisions in almost everyone's life. The following are some highlights, good and bad, of 75-76.

THE NATION AND THE WORLD:

Louis Bombacino, former underworld member who testified for the FBI, was killed when a bomb that was planted in his car went off. Bombacino had been living under an assumed identity in Tempe since testifying against the Chicago Mob.

In November, Judge Robert Muir ruled that Karen Anne Quinlan, 21, must be kept alive by her doctors, if possible. As a result of combining tranquilizers and alcohol, Karen had been in a coma for seven months. Her parents had requested legal permission to turn off the respirator and allow Karen to die naturally.

In numerous cities doctors went out on strike in protest of malpractice insurance rates. The Los Angeles area was hit the hardest in early January.

Phoenix voters elected their first woman mayor, Mrs. Margaret Hance.

Americans and foreign investors began pulling out of Beirut as government troops and guerrillas stepped up their war.

In Africa, The Angolan war continued and foreign mercenaries were being recruited around the world.

The big craze of 1976 was having a "pet rock". Even a "Pet Rock Show" was held where rocks were judged on their ability to do tricks, their personality and general appearance.

Patty Hearst, granddaughter of the famous William Randolph Hearst, was captured by FBI agents in San Francisco. Simbionese Liberation Army members had kidnapped Ms. Hearst 19 months earlier. She testified that they had brainwashed her into participating in their activities. Ms. Hearst was sought as a fugitive

after she was photographed holding up a bank and identified as a member in a shootout.

A forest service employee claimed to have been picked up by a flying saucer in the Heber area in October '75 and to have been held captive for several days. Several other employees claimed to have seen him disappear near a saucer-shaped object with a blue glow. Their stories were confirmed with lie-detector tests.

School bussing created bloody conflicts in Boston and Louisville.

Japanese Emperor Hirohito visited the United States.

Supersonic jet Concorde created a controversy when it was given clearance to land in the United States. The supersonic jet is banned from production in the U.S.

FDA ruled that companies can no longer use Red Dye No. 2 in their products. After running tests on rats, they feel that Red Dye No. 2 may induce cancer after long usage.

IN ECONOMICS AND POLITICS:

Two assassination attempts were made on the life of President Gerald Ford in the fall of '75. The first attempt was made by Lynette "Squeaky" Fromme, an associate of Charles Manson. The second attempt was made by FBI informer Sarah Moore. Both attempts were made in California.

Economic conditions were still bad as inflation climbed, unemployment lingered around 9%, and prices soared on many items.

Vice President Nelson Rockefeller, former Governor of New York, dropped out of the 1976 political race. Although he gave no specific reason, politicians speculated that it was to prevent dissension in the GOP party and to free President Ford to pick a more

acceptable running mate.

In November President Ford fired CIA Director William Colby and Defense Secretary James R. Schlesinger. George Bush succeeded Colby and Donald Rumsfeld replaced Schlesinger. Secretary of State Henry Kissinger also stepped down as head of the National Security Council and was replaced by Lt. Gen. Brent Scowcroft.

Postal rates were increased on Dec. 31 to 13¢ for first-class mail. It was previously 10¢.

Eldridge Cleaver, in exile for 7 years, returned to the U.S. to face charges of attempted murder. Cleaver, a radical during the 60's, said he would rather return to the U.S. and face these charges than to continue to live abroad where even less freedom was available to him and his family. Cleaver has spent his 7 years of exile living in Cuba, Russia, and France.

Sal Mineo, 37, was stabbed to death outside his Hollywood apartment. Mineo was an actor and at the time of his death he was rehearsing for a play.

The most popular movie of the year was "JAWS."

The "Bermuda Triangle" created a new controversy in literature and on film.

School Life Offers Something for Everyone

Out of the years of life, commonly called high school, there was more than books and studies. Loves, friendships, good times and sad times...they were all a part of our life. Snack-bar smiles, dances, going to the VI after the games, and playing buck-buck at lunch were some of the best times of our life.

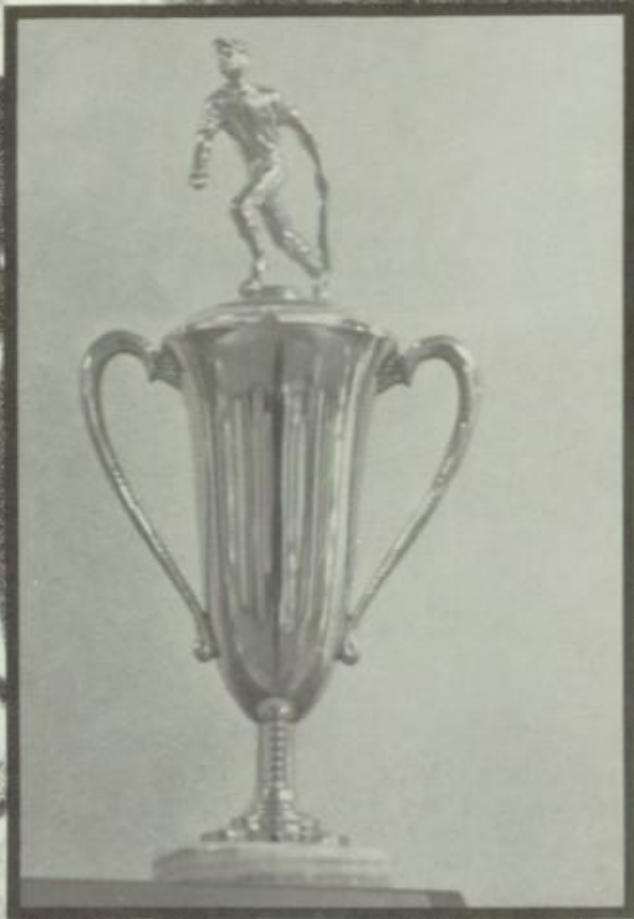

The campus was brightened up by the painting of the garbage cans. And we'll probably never forget braving the early morning winter to pick up report cards.

And above all, we'll always see the Panther, mascot of PHS, representing all we worked for.

They stayed active playing racketball, basketball, and eating.

LeeAnn Loerzel and Lisa Lopez were PHS's delegates to Girls State, held at U of A. LeeAnn was appointed City Electrician, and Lisa was the Sanitation Engineer. LeeAnn called State "a fantastic experience!"

Below Right: Ken Lewis attended the Spring DECA Conference at ASU and won first place for Sales Demonstration. Below: Randy Jennings, a junior, won a Fine Arts Award for his unique ability in art. VanMeter, M. Kuhlwein, W. Fritz. Bottom Picture: Mary Lou Watt won first place at the Peoria-Glendale Jr. Miss contest.

There were many awards handed out this year. Some were personal triumphs, while others were school victories. Among the individual efforts was the Betty Crocker Scholarship. Jim Molesa was one of the three males who took it. Jim was the first guy to win the scholarship since 1948. Randy Jennings felt a real sense of pride for receiving a Fine Arts Award. Representing Peoria's DECA group was Ken Lewis. He won first place for his Sales Demonstration. Our FFA Parliamentary Procedure team won first place at the Black Canyon FFA District Parliamentary Procedure contest. The contest was held at Peoria with five other schools participating. Mary Lou Watt won first place at the Peoria-Glendale Jr. Miss contest. She won a \$100 scholarship and an opportunity to go on to the state contest.

Top Three Students Receive Honors

Lisa Lit, Valedictorian for the Class of '76, came to Peoria her sophomore year. Being the kind of person that gets involved, she became Student Body Historian and was chosen for Model U.N. She carried this involvement over to her senior year by being elected Senior Class President and becoming a member of the Annual Staff.

Lisa graduated at the semester break. She kept herself busy by working and going to Scottsdale Community College. She returned to Peoria in May to deliver her speech at graduation exercises. Lisa was chosen as Valedictorian on the basis of her grade point average, which was 1.0.

When asked about her plans for the future, Lisa replied, "I'm going to go to England to become a Horse Master, then come back and get married someday." Lisa has always been a horse lover so it was almost inevitable that she wanted to go into a field that dealt with horses.

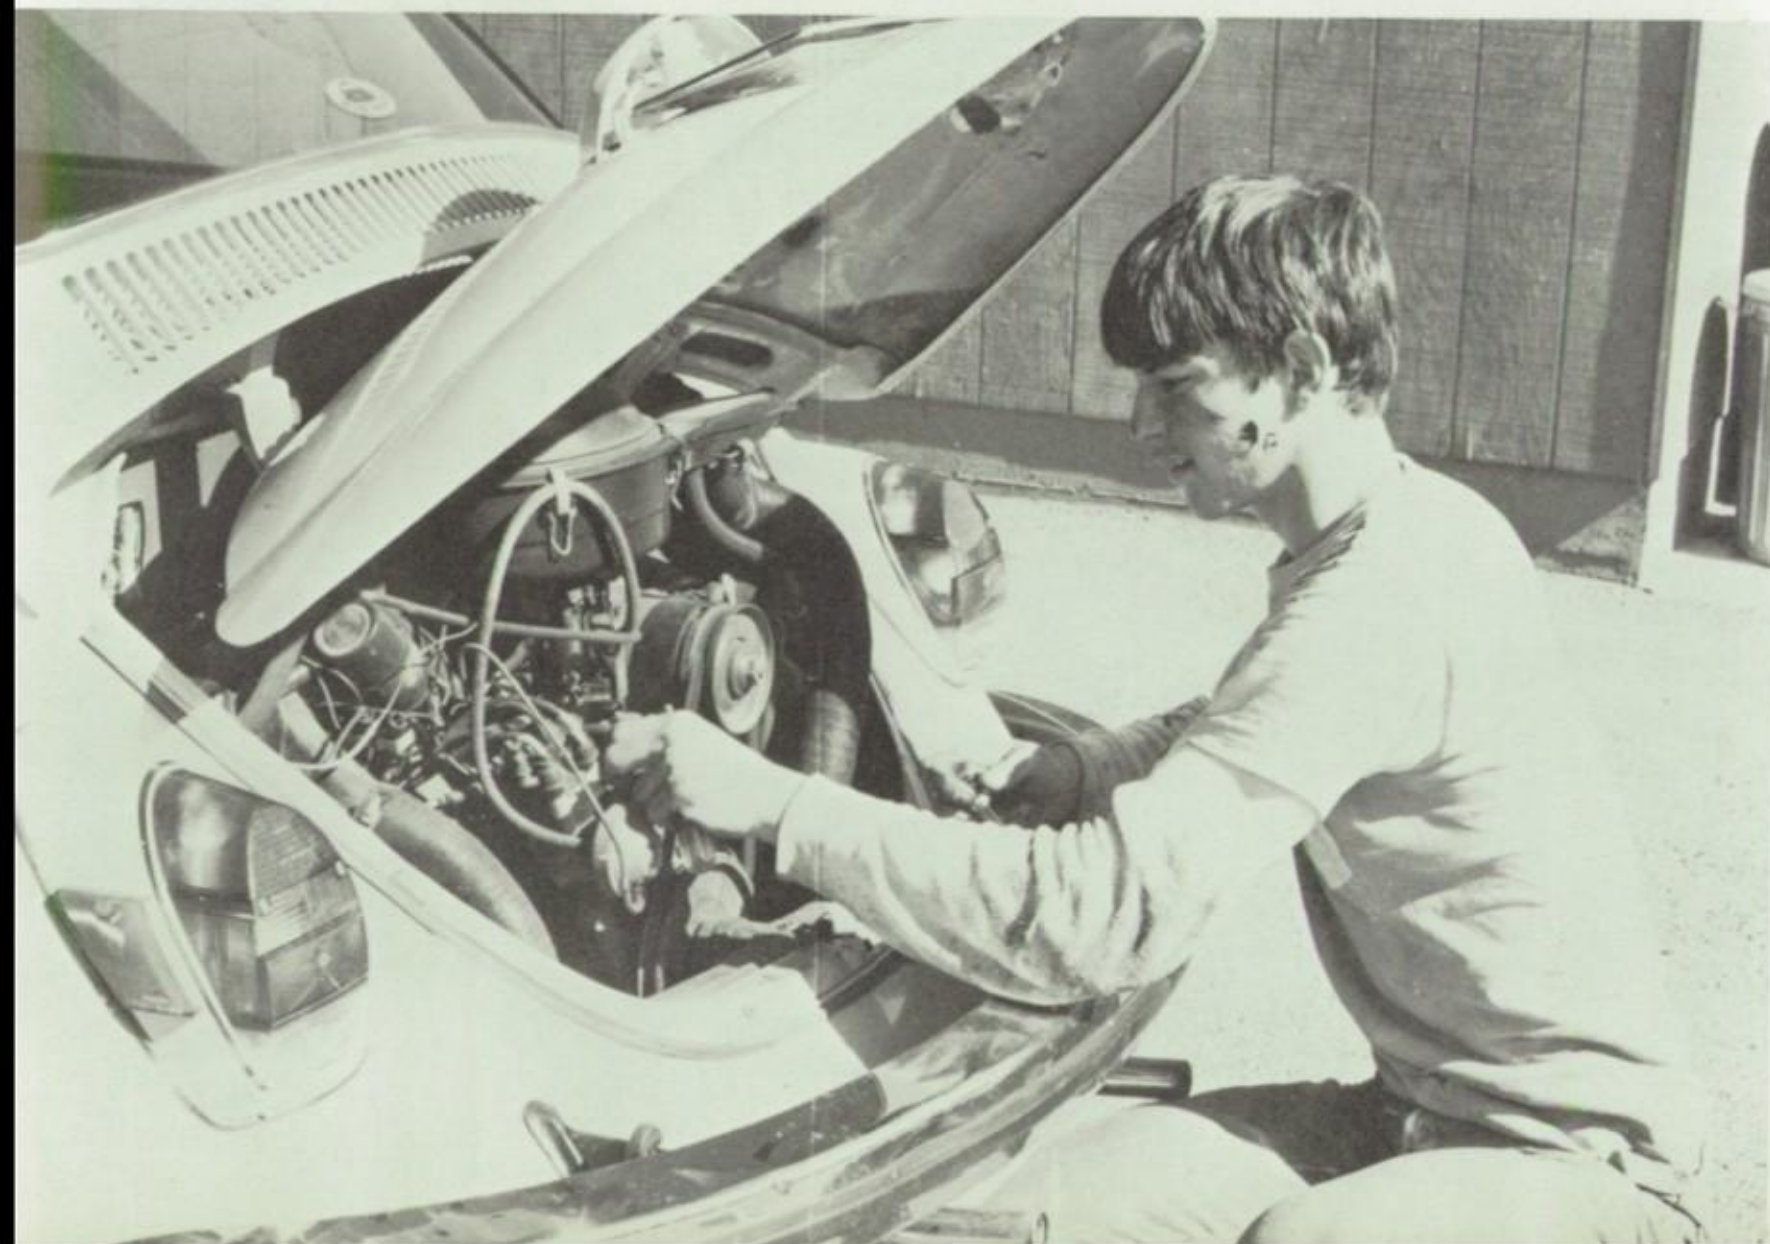

Jim Collins, left, was chosen as co-salutatorian along with Jeff McKenzie, below. They were tied for second place out of the entire senior class, each with a grade average of 1.029. Both were involved in sports and clubs throughout their high school years.

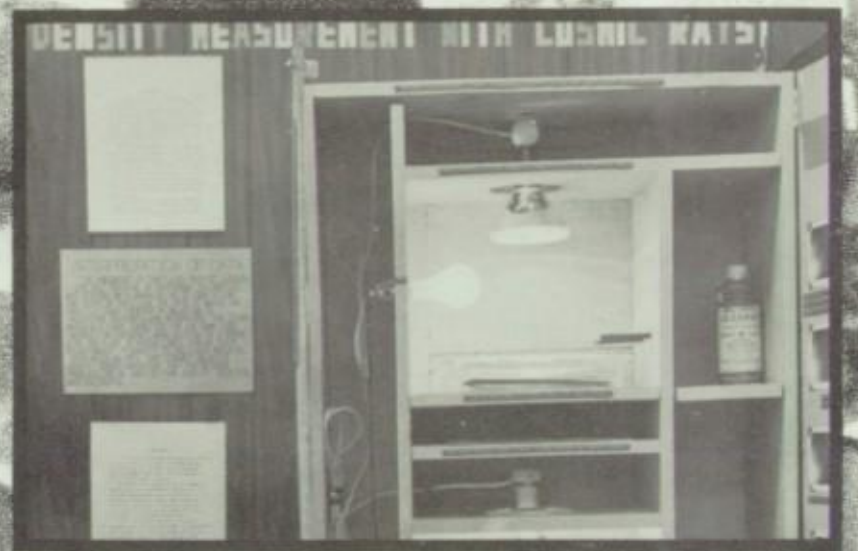

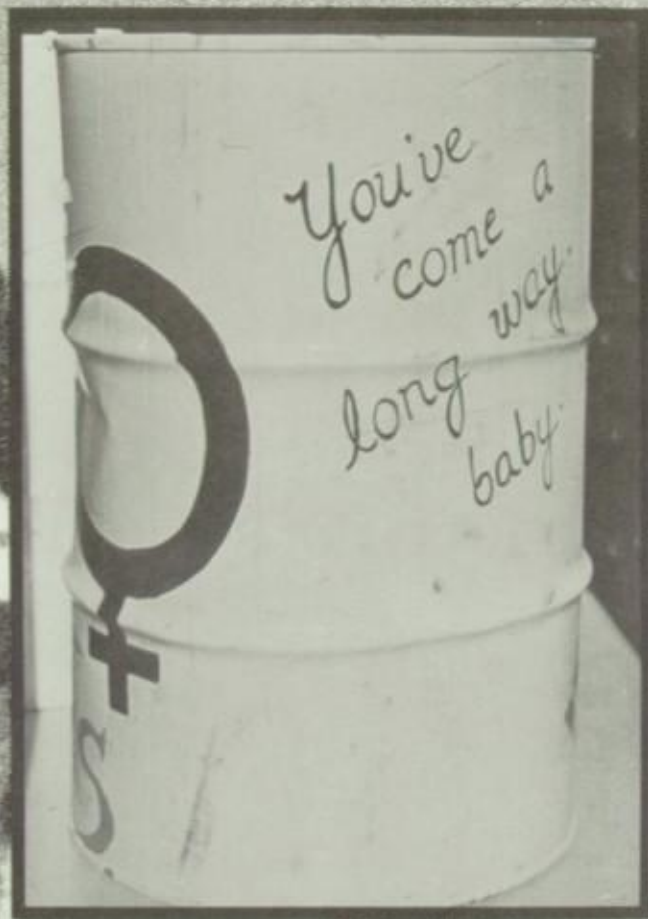

Jim was in Student Council since he was a sophomore and was Student Body President his senior year. He was in football all four years and in baseball his sophomore and senior years. He was an active leader in everything he joined. After high school Jim plans to go to the University of Colorado. When asked what he'd miss most about high school, Jim said, "Not being able to bug teachers, the friendly atmosphere and the excitement of the library."

Jeff was active in baseball and basketball all four years. He was chosen to attend Boys' State and was President of Interact his senior year. Jeff had many interests, one of which was cars. He like to fix them, take them apart and whatever else needed to be done on them. "What will I miss most? That's easy," said Jeff. "Athletics and the coaches and all of my friends."

Varsity and JV Cats Get on the Good Foot ...Er...Paw?! Peoria Panthers Promote Pep!

The Varsity Panthers-Valerie Weiler and LeeAnn Loerzel-and the JV Panthers-Jeannette Davis and Linda Holly-were always an expected part of the cheering force. They were out there yelling and fooling around while boosting spirit for the team at every game. Both JV and Varsity panthers were out in force at Homecoming and at the last football game against Agua Fria. You always see them at Pep assemblies and you never see them without a smile.

1975-76 Varsity Cheers: Front: Debbie Stump, Debbie McCarty, Stacy Simmons. Middle: Menina Pecina, Cindy Lyall, Yoli Olibarria. Top: Joyce Bafford, Cheri Hall

The Peoria Varsity Cheers had a lot of fun keeping spirit alive this year. They worked hard all year long, but their work started long before the first football game.

After tryouts in April, the new line had to get organized. Then in May, they attended a workshop at A.S.U., along with other schools from all over Arizona. They then competed against these schools and incidentally, our Poms & Cheers left with the most awards given to one school. In July, they attended a cheer camp at N.A.U. There they received a couple more awards to add to their growing pile.

But it isn't all fun and games. These girls practiced at 7 o'clock every morning during the year. It is very hard to practice two-bits when you're all snoring! But it's the thought that counts and the Cheers' hard work was appreciated by everyone.

Frosh Cheers Add to Peoria's Spirit Team

Poms add spirit to school life. Sponsored by Mrs. Moman, the Pomline perform at athletic events and put on pep assemblies. Their entertainment is super imaginative. They cheer on our athletes and reward them with cupcakes and flowers.

To raise funds, the Poms sponsor dances, wash cars and put on food sales. The girls practice an hour, four mornings a week. They are assigned choreography on special novelty dances.

Publication Staffs

Newspaper, annual and photo staff have all been organized into one unorganized period. Mrs. Hudson is always on the run; getting uptight over deadlines, smoothing the problems, ordering us back to work and supplying snacks. Photo Staff, Opposite Page Top, under Carl Ulbrich, developed pictures for us. Patti Fowler, Opposite Page Bottom, hustle to turn out the paper every 3 weeks. Interact Activities Enhance School

Interact is one of the more active clubs at Peoria. They are interested in not only working for the school but in also helping the community. As of now, they're working on building a barbeque pit for the school out by the pool. In November many new members were added to the club. To become a member you had to fill out an application, be interviewed, and then voted on by the club. For their next project, they plan on going to Mexico.

Student Council Active Throughout Year

Student Council was once again involved in activities throughout the year. There were quite a few things that Student Council sponsored. For instance, at the beginning of the year they held the Student Mixer. Instead of having a live band, they had a disc jockey come out from a local radio station and play records. This turned out to be a great success. So much so that quite a few clubs had "record hops". Student Council also sponsored the Carnival and Homecoming.

During the year they tried to impress upon the students that they should keep our campus clean. The art department, working on this principle, painted trash cans that really add to the school's landscape.

Student Council also sponsored the Band "The Bridge" to come out and play. Students were invited to bring their lunches to old gym during either first or second lunch to hear them. Since the band plays for free, the Student Council offered to help pay for their traveling expenses.

Gonzalo's Mat Rats as the Mat Maids are affectionately called, kept very busy this year. During football season the Mat Maids greeted people at the gates while taking tickets and handing out programs. The Mat Maids also sponsored a Parent's night during football, which introduced all the Senior football players and their parents. After the game, refreshments were provided in the lobby of the new gym. It was a moving experience. Picture R - "And this is our treasurer, Ginny Craig.

“PHS Mat Maids the Best in State” Say Coaches.

As wrestling season started, the Mat Maids devoted all their interests to their grapplers. Even at most of the away meets there was at least one Mat Rat to cheer them on. Their uniforms were gold tops and skirts.

At the big PHS Invitational, The Mat Maids made many signs as well as working for stretches of seven hours straight. They did a very good job and stayed alert and, most of the time, in good spirits. Our girls were commended very highly by several of the other school's wrestling coaches.

Last but not least, the Mat Maids worked at all the home track meets, keeping score and timing, as well as helping to set up the equipment. Our Mat Maids are a big part of Peoria High.

Peoria's Provocative Pep Club

Pep Club this year was a big part of the teams' support. Mrs. Detrie, Mrs. Robertson, and Mrs. Cupell were sponsors, with Leslie Sanders as President. The girls were at every game, cheering and making noise. They had a booth at the Carnival where they sold fudge and cookies. The money they raised went to buying patches given at the end of the year to active members. They sold pennants and football pins during the year also. They made posters for sports events which also gave them points toward their patches. Pep Club is open to both girls and boys, and the membership this year was huge!

The team was plagued with injuries to some key-returning players and this made it difficult to get off to a good start. The Panther's new head coach was Bill Maas who introduced a new offense to the players. His assistant coaches were Jim Williams, Tony Gonzalo, and Tony Bracciale. Good JV Season Inspires Hopes

This year's Junior Varsity squad had a very successful season. team was coached by Rob DeSeelhorst and Bob Gonzalo. Both coaches were pleased with the total effort. They felt the team's stronger points were that it never gave up and its always ready to win attitude. They worked very hard, but had a lot of fun at the same time. Some of the team's offensive standouts were Steve Banovic, Mike Kay, David Guida, Courtney Miller. The top players on defense Were Rudy Rivera, Craig Guthrie, and James Armenta. Dale Smith and Rod Forgia did fine jobs on both sides of the line. Everyone is looking for a fine Varsity season next year.

Freshmen Show Impressive Season

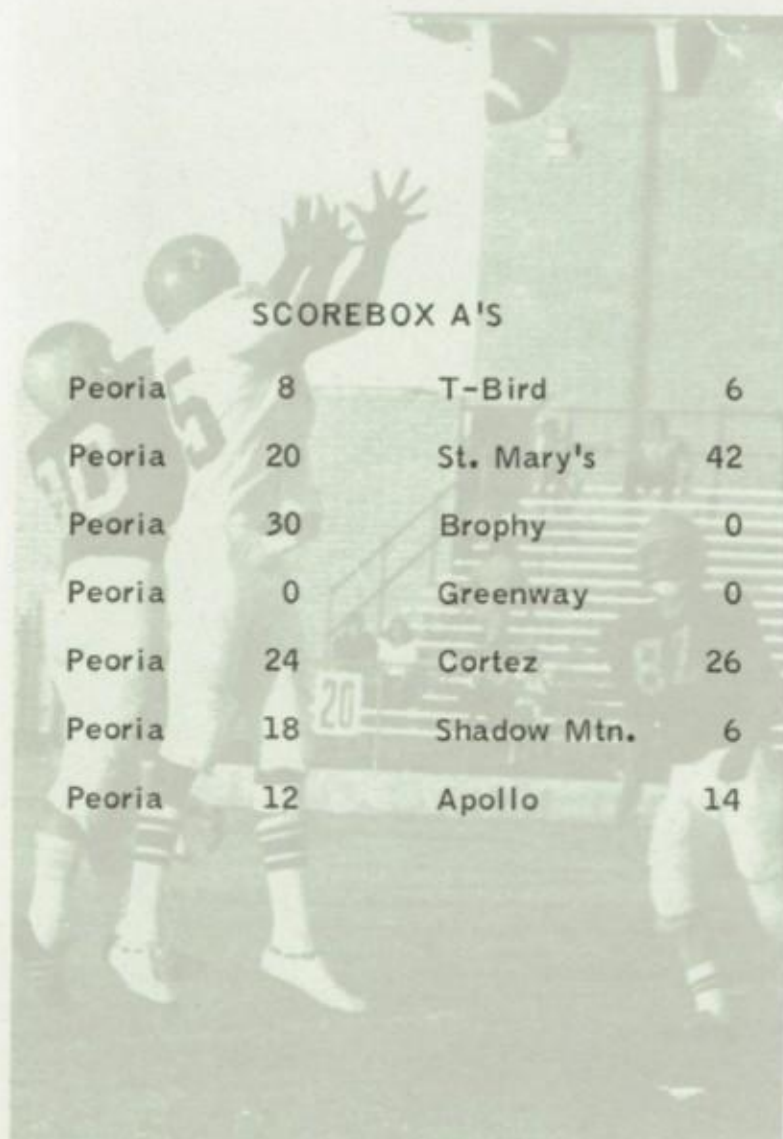

The Freshmen squads had outstanding seasons. The A's produced a 5-3-1 effort and the B's captured the conference championship with a 4-4 record. Both teams started the season without a lot of technique, but as it progressed they improved greatly. Coach Hildreth and Coach Feist had much praise for their A squad as did coaches Gollihare and Moore for their B's. All coaches felt that as the years progress, these players would develop into fine players.

Varsity Cagers Start Promising Season

Coach Barry Arney's varsity cagers knew from the first practice that it was going to be a tough season. Without anybody of exceptional size Coach Arnev decided on a season plan of run, run. Front Row: L to R: Coach Barry Arney, Tim Wacker, Bruce Ziegler, Jeff McKenzie, Rick Boretsky, Dave Fairchild. Back Row: Robert Camacho, Omar Cobos, Bryan Patterson, Paul Taylor, Brian Duguid.

Towards the end of the season the Panther cagers found themselves in good shape for a playoff position. Coach Arney was really proud of his players and felt that they were one of the finest teams that he has coached in a long time. "They worked very well together and overall worked very hard," he said.

Left: Brian Duguid seems to say, "Hurry, Jeff! while I keep this guy busy." Bottom Left: Coach Arney checks out halftime scores. Right: Tim Wacker jumping spinning, winning goes in all alone. Even though the JV squad didn't win many games, they had many individuals who were winners because of their enthusiasm, attitude, and self-pride. The challenge of most games was met with a handicap of height and lack of crowd response. All the players developed new skills and sharpened up the old ones which will be used to our advantage for Peoria Basketball. The Freshmen basketball squads had a very successful season. Both coaches Feist and Mangin stressed the fundamentals and encouraged their players to reach team goals rather than individual goals. Each club had its difficulties, facing teams that outsized them and teams with a lot of talent. But this didn't discourage the young Cats, and they proved this through their hustle. By the end of the season both teams were fundamentally sound and ready for a strong JV season next year!

Varsity Grapplers Take Fifth in Skyline

The Varsity Wrestling Team had an outstanding season. Their record was 7-2-1, and they placed fifth in the Skyline Divisionals, which is better than many other schools expected from them. Coach Bob Gonzalo did a remarkable job with his young grapplers (there were only four seniors on the squad). He feels the team gained a lot of experience and hopes to be in contention for the Division Title next year. Coach Gonzalo was assisted by Coach Mike Koury.

Ruben Chagolla placed first at the Divisionals. Tony Santa Cruz, Mike Kay and Eliseo Murillo all received a second. Tito Castro finished with a third.

Young Grapplers Have Outstanding Season

The JV's had a really fine wrestling season. Their record was 5-5, but this was due to the fact that they were short on wrestlers. Before a match started, they were behind by 18 points.

Their coach, Denny Vicars, was mainly concerned with simply preparing them for Varsity competition. He felt all of them improved significantly at the end of the season. Top wrestlers this season were J. Massaro, H. Freimart, S. Armenta, K. Paluszcyk, F. Pickering.

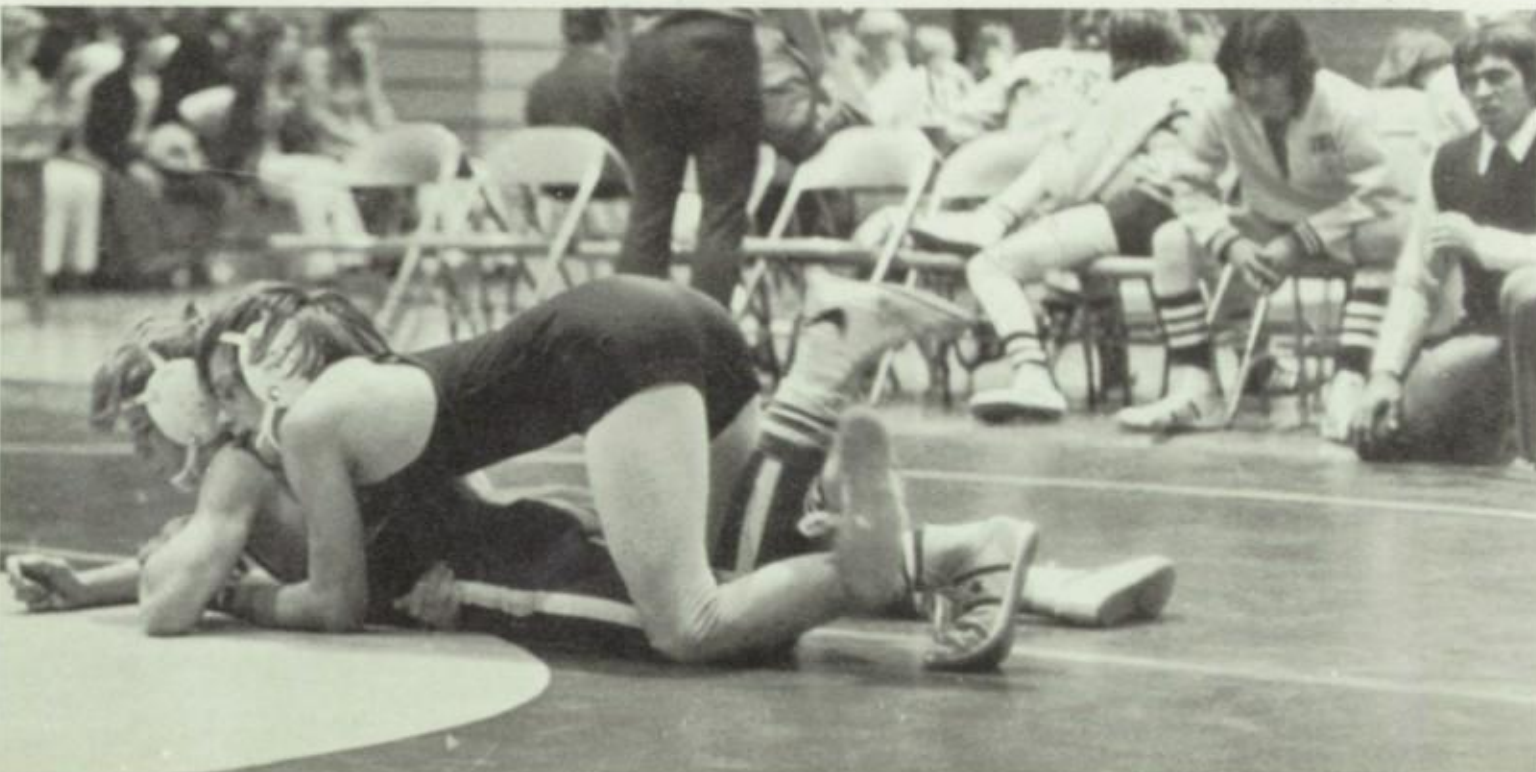

Freshmen, Standing: C. Hernandez, S. Matonis, J. Weiler, F. Martinez, O. Limos, V. Rodriguez, F. Lopez, V. Florez, W. Loerzel, Coach Bracciale. Kneeling: L. Arande, K. Bingelli, R. Stangl.

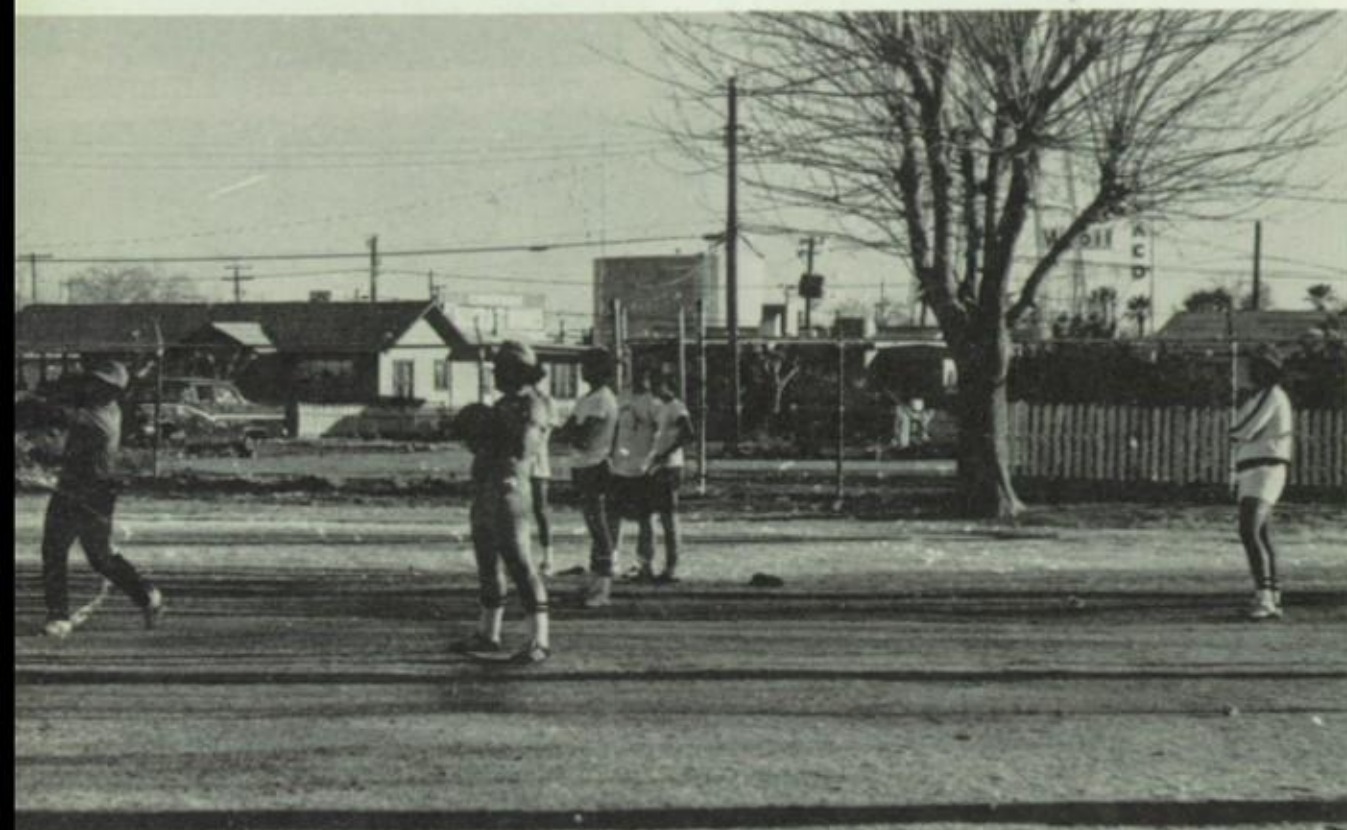

The Freshmen wrestling team did a fantastic job! They were introduced to the fundamentals of wrestling and through hard work they applied various movements of takedowns, reversals and pinning combinations to wind up the season with an 8-2 record.

The young grapplers were coached by Tony Bracciale. He commented, "They have such a fine 8th grade wrestling program that it made my job easier. I'm really proud of the kids."

Spring Fever Brings Spring Sports

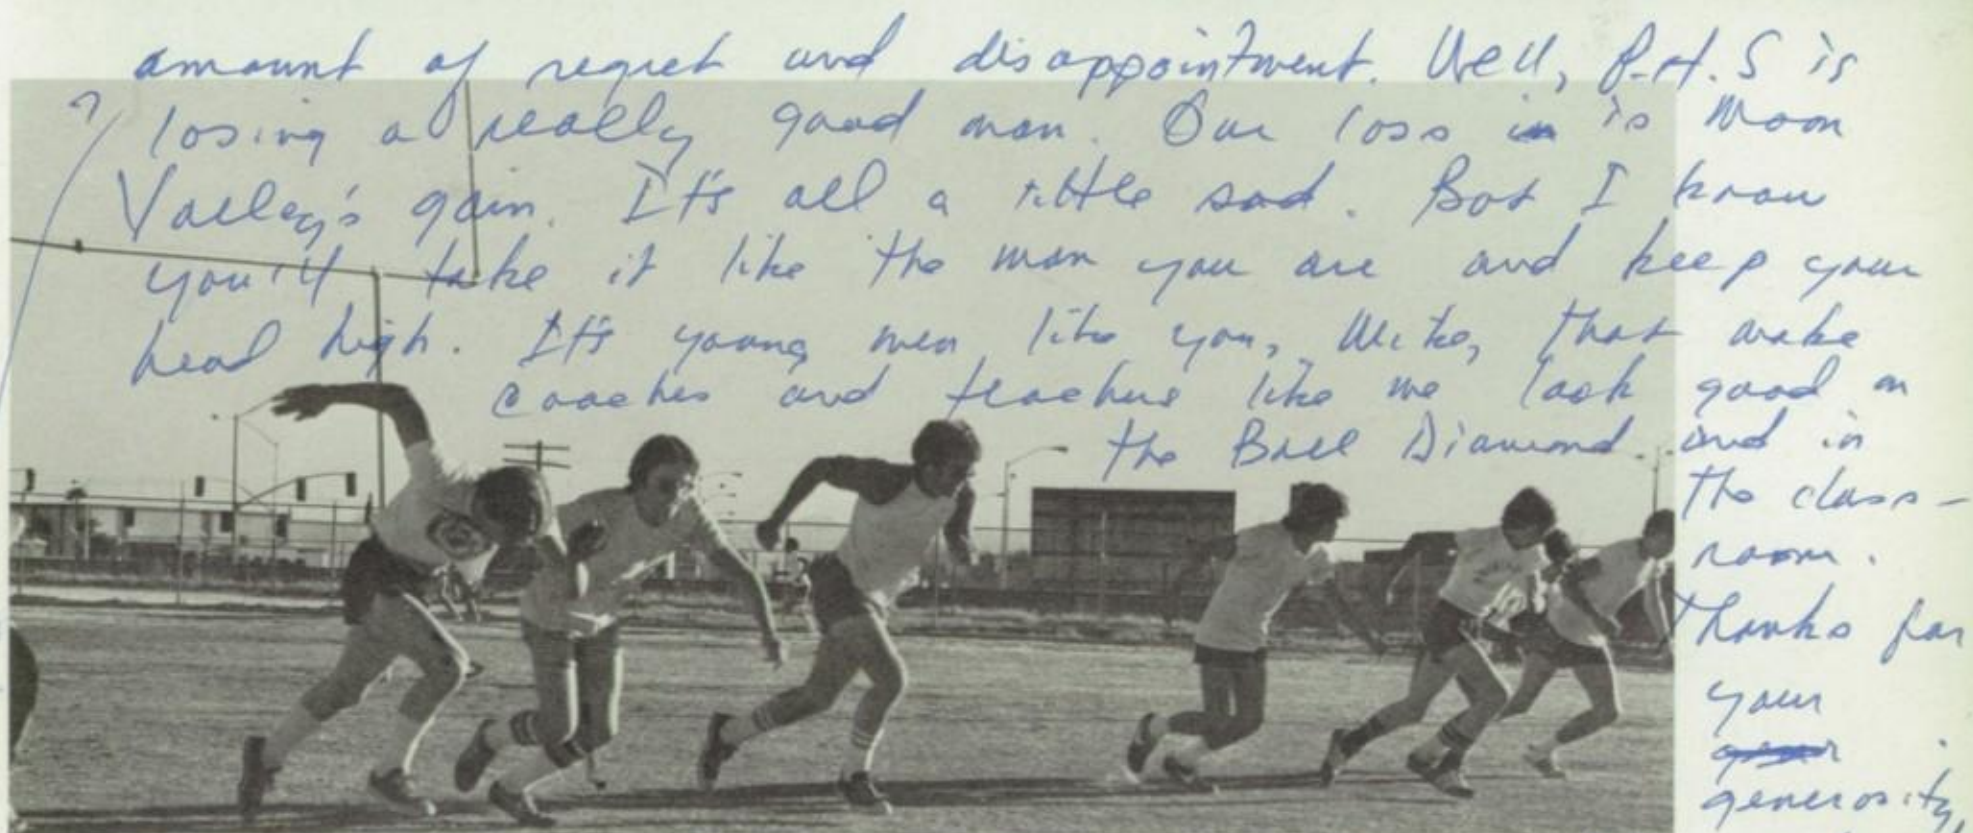

Mike. The more I have gotten to know you, the more I have grown to like and respect you. It was a pleasure having you in class this year as well as being your coach. You have some truly outstanding qualities, Mike, including intelligence, sensitivity, pride and responsibility. I can well understand why your father and mother are so proud of you. You've achieved a lot at Peoria, and I feel certain that you're going to excel at Moon Valley, too.

I consider you the single most valuable player on the JV this season. You did everything

well. I was constantly impressed by the poise you showed and just plain toughness. I will remember our extra-inning game victory over Greenway — with you on the hill — for a long time. As far as your classroom work is concerned, I only regret that I wasn't able to challenge you more. You are in the upper 1% of my classes. I suppose, Mike, that you leave P.H.S. for Moon Valley with a certain

amount of regret and disappointment. Well, P.H.S. is losing a really good man. Our loss is Moon Valley's gain. It's all a little sad. But I know you'll take it like the man you are and keep your head high. It's young men like you, Mike, that make coaches and teachers like me look good on the Ball Diamond and in the classroom.

Thanks for your ~~good~~ generosity,

cooperation and loyalty. I look forward to hearing about your exploits at Moon Valley.

Girls Sports Are on the Go

The tennis teams, coached by Miss Tieman, worked hard this year to build up strong teams. Even though the Freshmen team didn't win any matches this season, the girls learned the importance of pride and self-determination. At press time the Varsity season was not yet underway. The team was a young one because of the lack of Senior players.

The track season began March 5th with a meet against Glendale. Coaches were Mr. Amspoker and Mrs. Sanders. Mr. Bracciale and Mr. Black helped.

6 Girls From PHS' 75-76 Team Go to Divisionals

Right- "Good shot Teresa, but...
where are your shoes? Maybe
Melinda knows?"

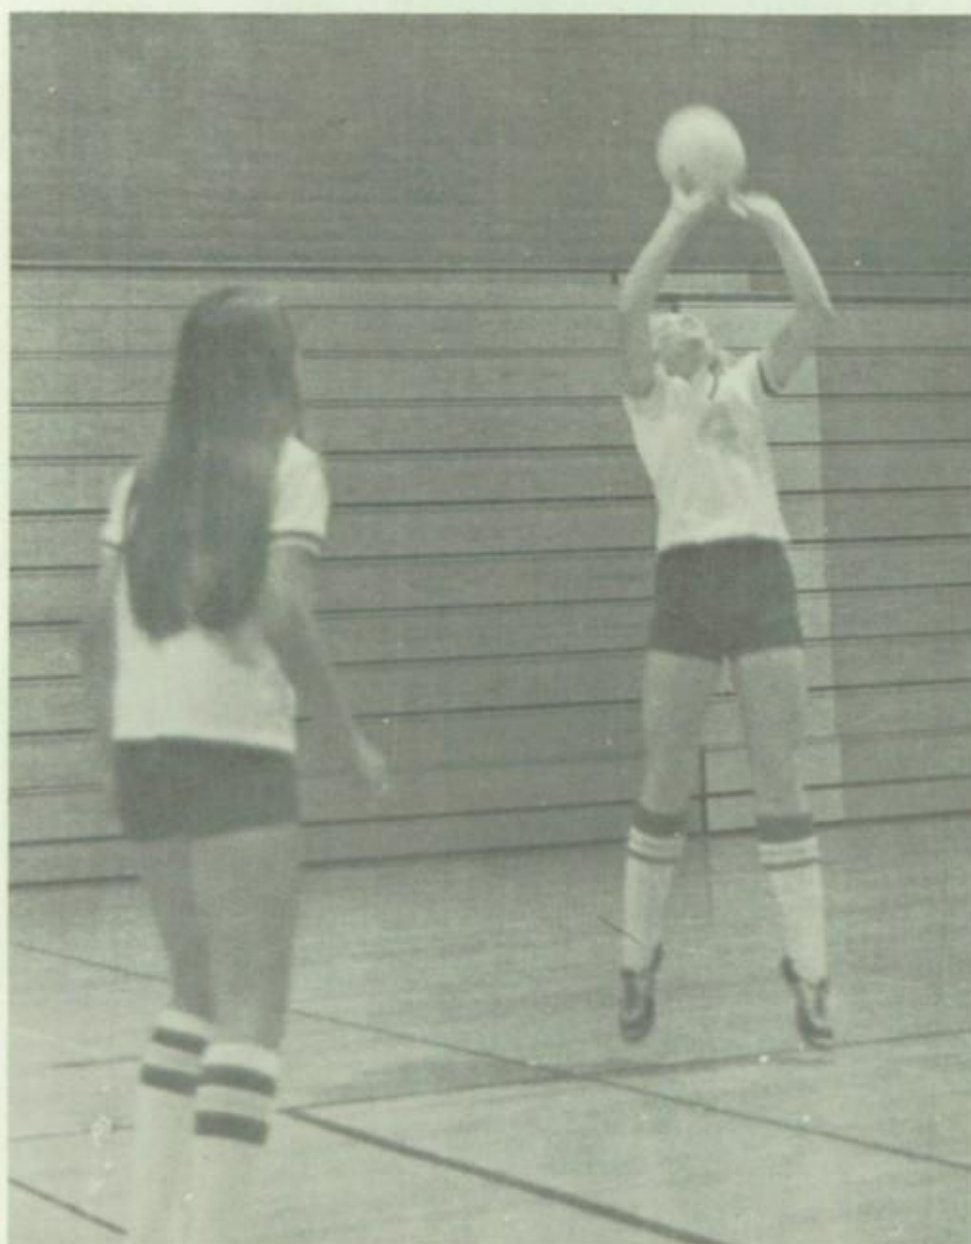

On this year's team, there were six girls that played in Divisionals. Cindy Lyall and Sheryl Luders played doubles; Teresa Johnson and Melinda Lydic played doubles; and Dawna Wilson and Linda Wilson played singles. After close matches, our girls were all defeated, ruining their hopes for State. Mrs. Sanders was their coach again this year.

Top Left: Linda Wilson and Melinda Lydic get ready for the serve. Watch the birdie. . . ! Middle Left: Tina Hall smashed a serve. Middle Right: Rhonda McClendon shows us the drop serve. Bottom Left: Cindy Lyall and Dawna Wilson stand ready while Cindy returns the serve.

In a tight game with Xavier's volleyball team, our girls' hopes for Divisionals were crushed by their 2 out of 3 match loss. Mrs. Moman coached this year; Deb McCarty was captain.

Did the team just win? Or did they just find out they have no school tomorrow?

Their meets were either dual or triple meets, and they represented Peoria with their fullest effort. Right: Norm Fox and Michael Halchak think about that cool drink when they reach the end of the run.

Lower Left, Tito Castro, Dan Pickering and Rick Roberts, and Bill Piazza (Below) received Honorable Mention All Skyline.

CAREER ED

Students Involved in Career Exploration

The goal of the Career Education Program is to provide students with experiences which will enable them to make realistic career choices and develop plans to achieve these goals.

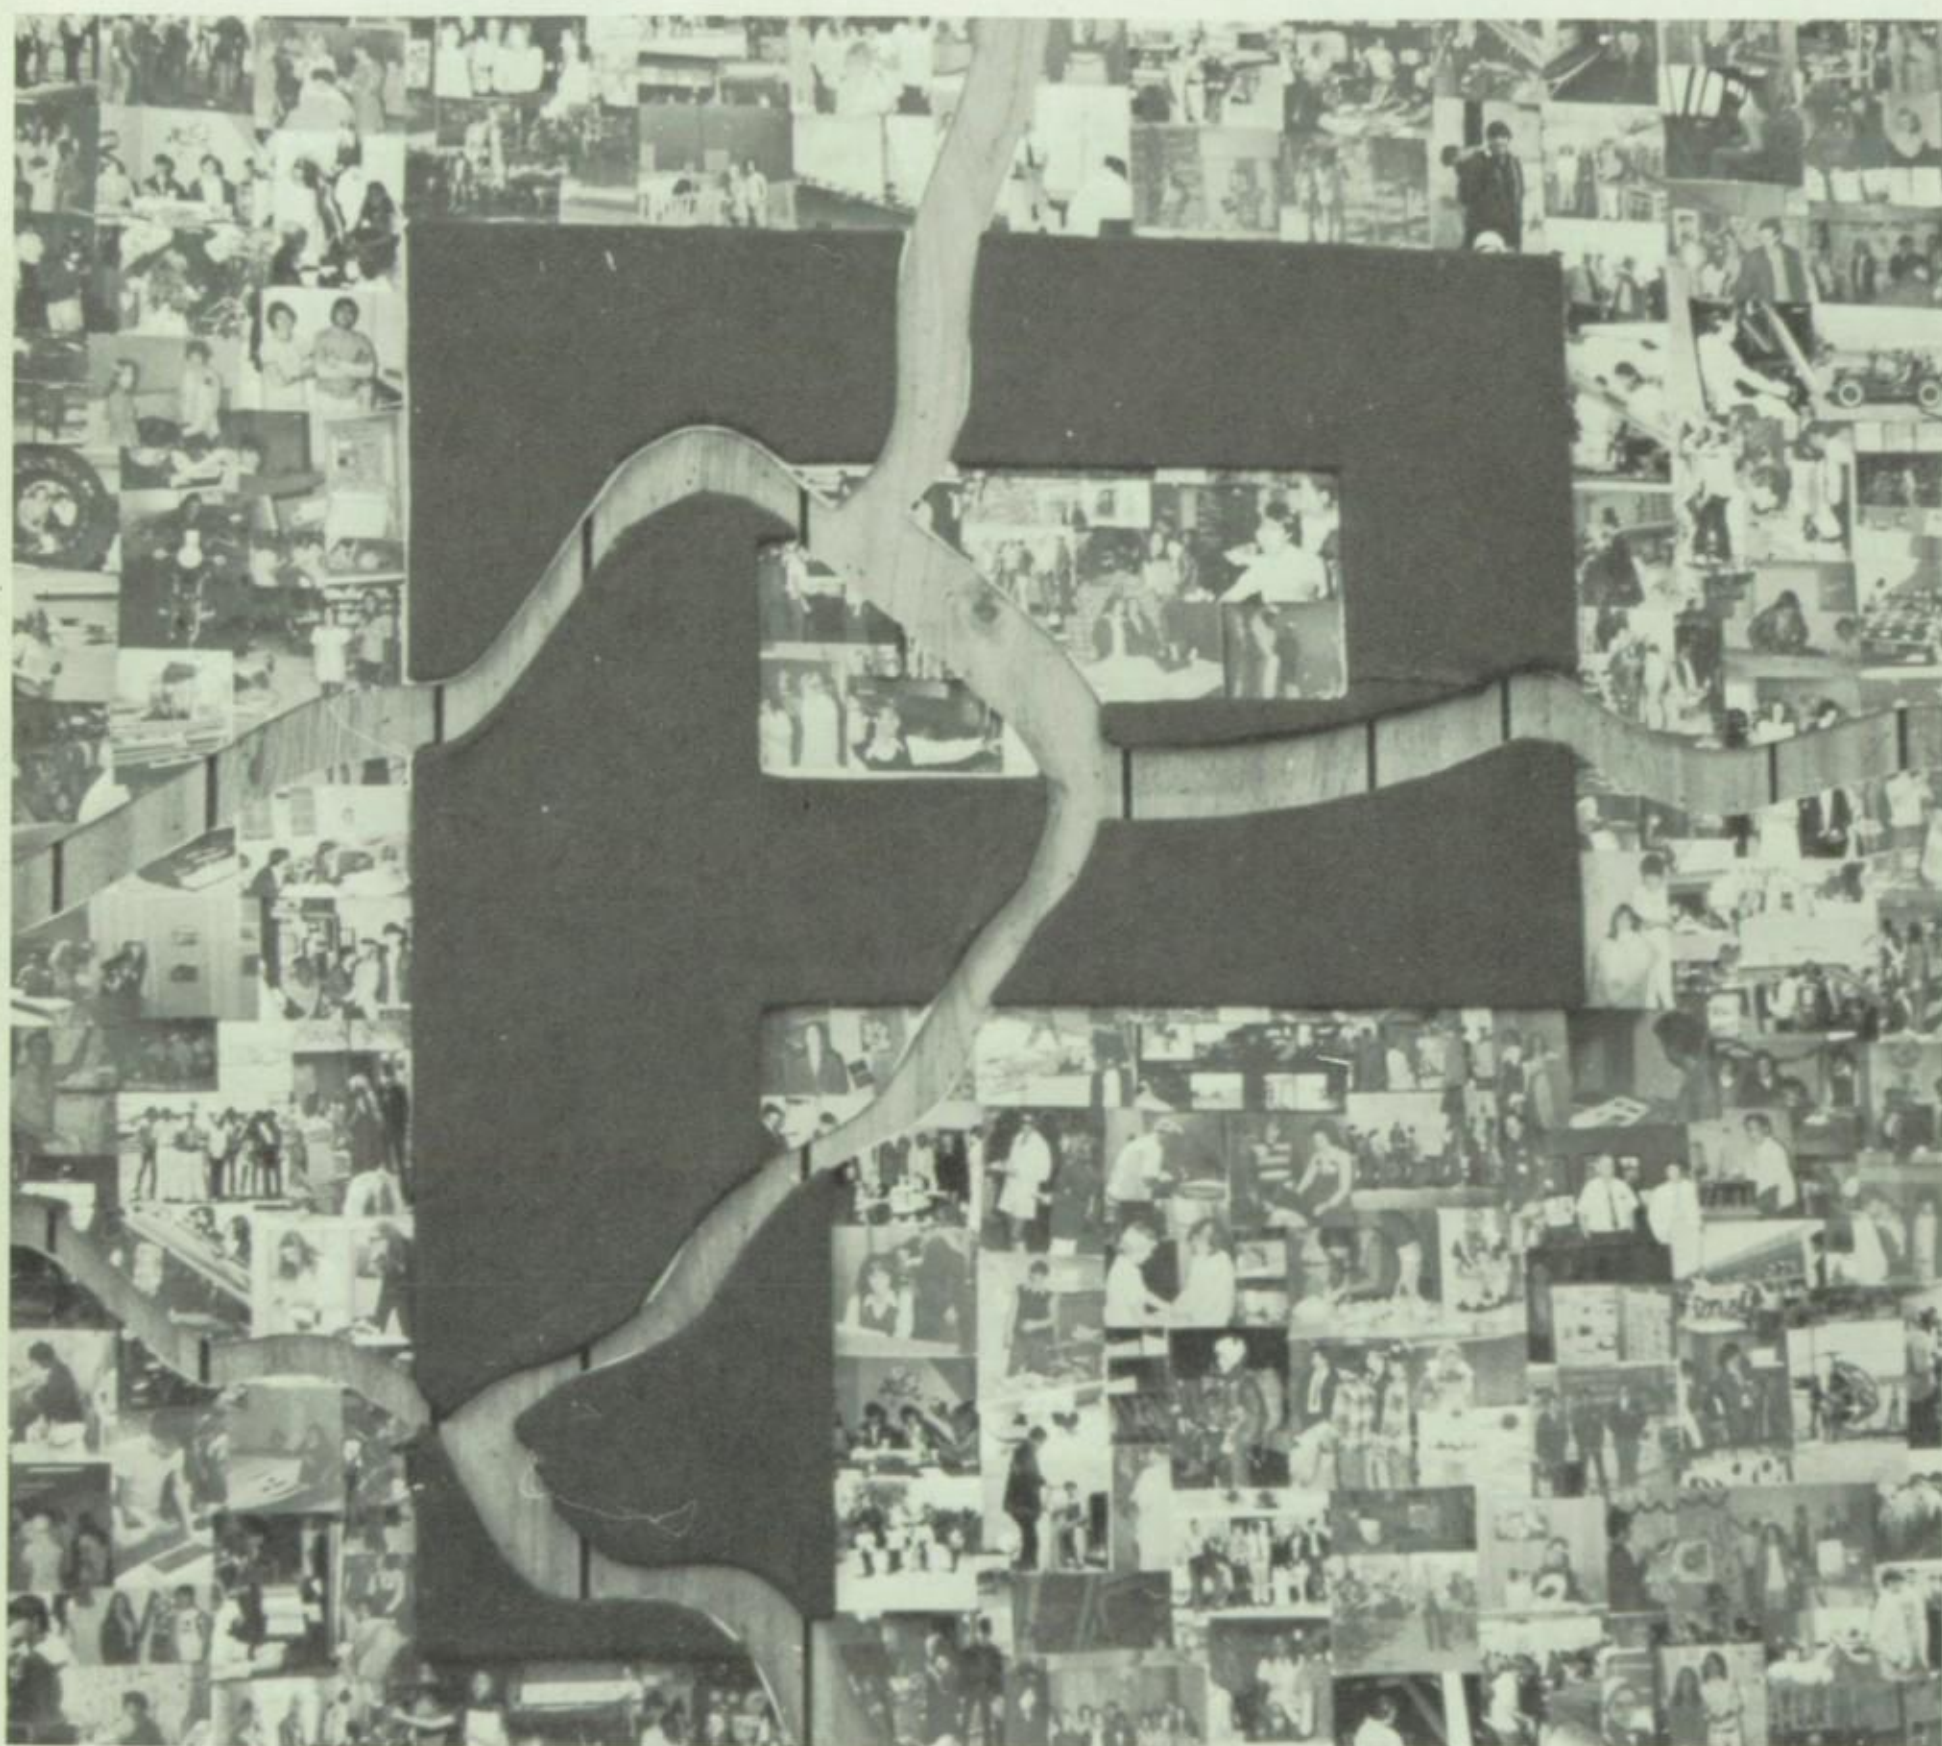

The Career Education coordinator is Mr. DeSeelhorst. He organizes the student clubs, provides leadership and aids students in the scheduling of all career activities.

The activities include speakers, field trips, work education and career exposition.

This year's enrollment has increased to approximately 950 students, which is 67% of the school's population. There are approximately 15 occupational clubs from which a student can choose.

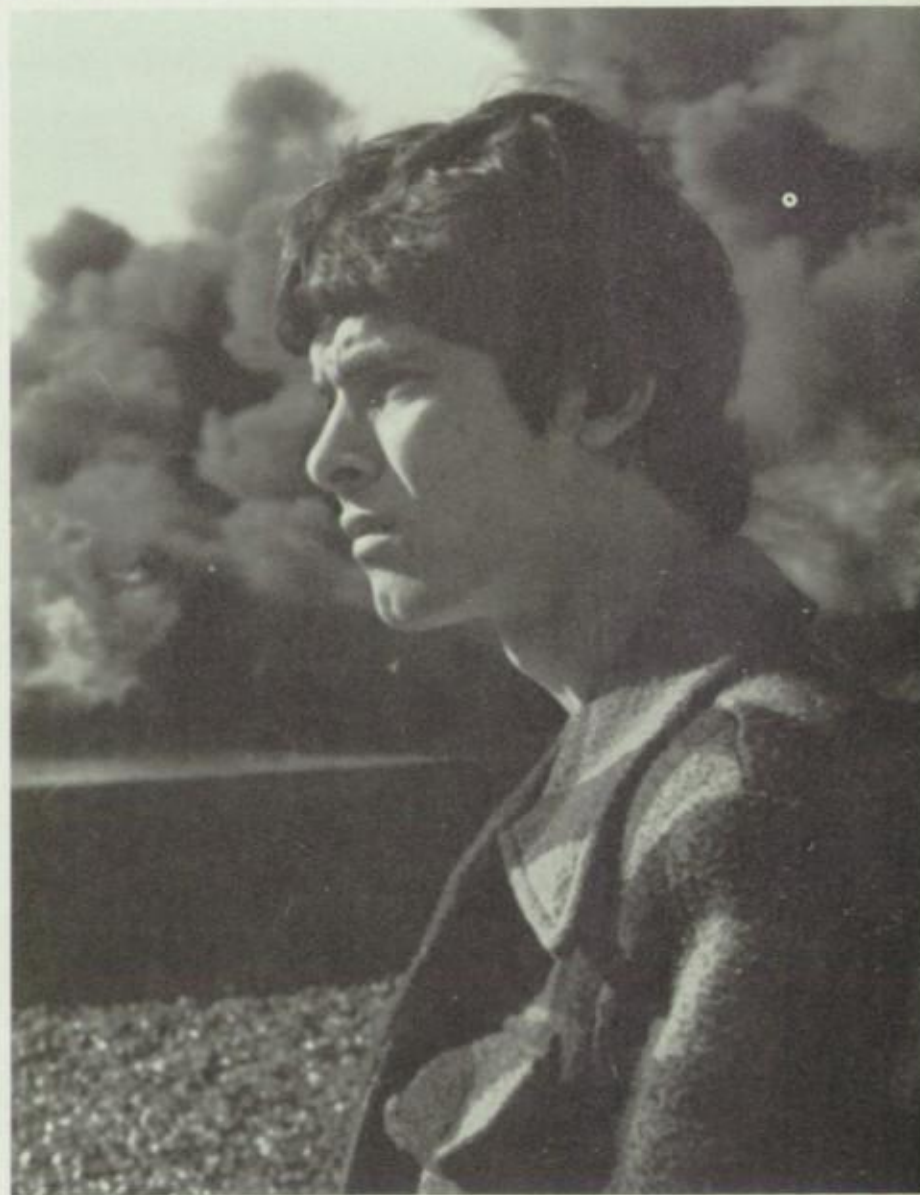

The occupational clubs range from the Armed Forces to Law, from Science to Health.

Once a student signs up for his occupational club, he along with other students of similar career interests meet, share experiences and plan interesting career exposition activities.

Realizing this is your last year
. . .
Looking a head . . .
Noticing the worn path to the gym
and back . . .
Being put or helping put anyone
in the trash can
Soaping windows . . .
Knowing all the teachers and
being taller than most of them
. . .
Being out every Friday night at
non-existent parties . . .
Knowing the handbook by heart
by reading it every year just for
laughs . . .
Having a top locker on the second
floor . . .
Counting and recounting all your
credits . . . 19 . . . 20 . . . 21!!!!
Trying to keep your schedule
straight after January . . .
Finding new and unique ways of
wasting time and passing them
on to the Juniors . . .
Having "your" table at Whata-
burger . . .
Being known to the security guard
by your first name . . .
Getting College Catalogs everyday
in the mail . . .
Not caring what you wear to

school . . .
Not having class 6th or 7th hours
. . .
Learning how to burn more than
water in Bachelor Survival . . .
Facing an Econ. test with a very
small hope of passing it . . .
Carrying less than one book to
class . . .
Thinking about the future
Trying to fit your cap and gown
right . . .
Knowing now what last year's
Seniors were talking about . . .
Bye . . . We'll Miss You . . .

Secretaries Aid Administration

No one knows how organized these ladies keep our school. Without them, there'd be more ditchers, messed up classes and confused grades. If we didn't have the secretaries to keep the Administration in line, our school would be in chaos. Then there's Mrs. Justesen. She's in charge of organizing all those lunches. She's the one who has to put up with those cafeteria jokes. No one appreciates her as much as she deserves it. Does anyone stop to thank her? No! So, here's our thanks to the lady who brought us basket lunches.

Opposite Page: (Clockwise From Top Left) Mrs. Haneman; Mrs. Justesen; Ms. Thompson; Mrs. Graber. This Page: Mrs. Hardy (Top); Mrs. Thorn (Above); Mrs. Karr (Left).

In the Phoenix Air National Guard

We'll pay you to learn a trade. There are over 300 trades from which to choose. And we'll send you to one of the finest schools. After that, you're limited only by your own ambition.

When you've finished your paid training—about 4 months—you'll spend just 39 days a year keeping your skill up to date. Our average Guard members earn over \$1000.00 per year. Not bad for part time work.

You'll make new friends. And establish contacts with people who have the same interests as you. Expect some fine fringe benefits, too.

Being editor of this yearbook has been the most unique experience I've ever had. Behind the tears and headaches there's a sense of accomplishment. Seeing the finished project makes you forget the personallity conflicts, lack of pictures, and missed deadlines.

I'd like to thank Mr. Edmund Tang for supplying us with the fantastic old pictures of Peoria that we used of the division pages. I'd like to also thank Mr. Ron Hildreth and the photography staff for working with us and for giving us the pictures that make this book so special.

Working close together with other people is sure to bring on conflicts. But somehow we overcame them. I'd like to thank those on the staff who stayed with it. They all worked hard and did a great job. I'd also like to thank them for putting up with my "hysterical fits" and for working so good together.

Most of my thanks and admiration goes to Mrs. Peggy Hudson, our advisor. She was always there to listen calmly to my complaining and worrying. She kept us going, making sure that we made those deadlines. Without her we never would have made it.

IN MEMORY

A black and white photograph of a rose and ferns. The rose is in the upper right, and the ferns fill the lower half of the image. The background is dark and textured.

Michael,

This year didn't start out too well. I'm sorry for everything. I must admit it got better. I'll always remember the good times we had. When I look back I'll remember how special you are ^(were?) to me. You'll always hold a special place in my heart. I'm sorry it had to end this way. I hope that we can be friends. Try and control your temper and things will be easier for you. I hope things are ~~easier~~ better for you next year at school and in sports. Just ignore the fans they don't know what they're talking about. God Bless + Take care.

Love always
